CITIZENSHIP IS DETERMINED BY jus soli, jus sanguinis, or naturalization, which affords the state jurisdiction over the person and affords the person the protection of the st ate. The word citizenship is often used in a different sense from nationality. The most common distinguishing feature of *citizenship* is that citizens have the right to partici pate in the political life of the state, such as by voting or standing for election. The term national can include both citizens and non-citizens. Nationality can refer to **mem bership in a nation** (collective of people sharing a national identity, usually based on ethnic and cultural ties and self-determination) even if that nation has no state, such as the Basques, Kurds, Tamils and Scots. Individuals may also be considered national

La Nouvelle-Zélande, en anglais New Zealand, en maori de Nouvelle-Zélande Aotearo a, est un pays de l'Océanie, au sud-ouest de l'océan Pacifique, constitué de deux îles principales et de nombreuses îles beaucoup plus petites, notamment l'île Stewart et les îles Chatham. Située à environ 2 000 km de l'Australie dont elle est séparée par la mer de Tasman, la Nouvelle-Zélande est très isolée géographiquement. Cet isolement a permis le développement d'une flore et d'une faune endémiques très riches et varié es, allant des kauri géants aux insectes weta et en passant par les kaponga et le kiwi, ces deux derniers étant des symboles du pays. La population est majoritairement d'o rigine européenne, tandis que les Maoris forment la minorité la plus nombreuse. Debido a la naturaleza sin ley del asentamiento europeo y del creciente interés franc és por el territorio, en 1832 el gobierno británico envió a James Busby como represen tante británico hacia Nueva Zelanda. Busby no pudo llevar la ley y el orden a la colon ia europea, pero sí pudo supervisar la introducción de la primera bandera nacional el 20 de marzo de 1834. En octubre de 1835, tras un anuncio por el que impedían la sob eranía francesa, la efímera nación de las Tribus Unidas de Nueva Zelanda envió la De claración de independencia de Nueva Zelanda al rey Guillermo IV del Reino Unido, pi diéndole protección. Nei confini della Nuova Zelanda e fuori, è aperto il dibattito sull'esistenza di una lette ratura neozelandese autoctona e autonoma. Se gli studiosi si trovano concordi sull'es istenza di quest'ultima, non lo sono altrettanto sulla questione di un periodo di prima rio sviluppo, quindi la discussione è completamente aperta. Gli stessi scrittori, nati e cresciuti in Nuova Zelanda, dato il forte legame con la terra d'origine, tendono a ricon durre la loro opera all'interno di più vasti filoni: paradigmatico l'esempio di Katherine Mansfield e Dan Davin. Altri, invece, sono convinti dell'esistenza di una salda e forte tr adizione letteraria nella Nuova Zelanda, e si ritengono orgogliosamente protagonisti di questo fenomeno: la più importante di tutti è Janet Frame, autrice di famose nove lle e romanzi; altri autori di rilievo sono Frank Sargeson, Witi Ihimaera, Patricia Grace

Nya Zeeland har en mycket vacker natur. Landet kan till stor del jämföras med till exem pel Kanada, Norge och Chile. Från snötäckta berg till gröna skogar och öken. Det går at t inom loppet av en timme besöka både öken, regnskog och karg kust. Det finns många arter som är endemiska. Anledningen är att Nya Zeeland skiljdes från Gondwana, för 82 miljoner år sedan. Arter som ingår i Podocarpaceae, Nothofagus (Sydboksläktet) och b ildar hela skogar. Mycket spektakulära finns, då särskilt det sk Kauriträdet, som dock är på väg att utrotas och därför åtnjuter legalt skydd. Landet har varit befolkad bara i ca 1 000 år, men ändå har naturen tagit stor skada av människans framfart. Nu för tiden gö r emellertid Nya Zeeland mer än något annat land för att behålla sin unika natur, och ö ver 30 % av landets yta är idag naturreservat. Man räknar med att det finns cirka 116 hä
